The Children's Program will be available during the extended hours of this workshop. The above schedule is subject to change at the discretion of the faculty.

No previous experience or training is required; however participants should make themselves familiar with the major body systems with a basic anatomy and physiology book prior to the class. Remember to bring a towel, non-oily massage lotion and comfortable clothing. Well-clipped and filed fingernails are essential. The training will award you a 54-hour certificate of study that can be used toward national certification by the American Reflexology Certification Board. Certification confers recognition in reflexology; it is not a state license. We look forward to seeing you this summer!

Sincerely,

The Omega Staff
