Lying on the Floor

There will be a lot of lying on the floor, but mats will be provided. Feel free to bring extra padding. Chairs or yoga backjacks will also be available and may be used if lying on the floor is uncomfortable.

STUDENT RESPONSIBILITY AGREEMENT

VortexHealing® is a very powerful healing art. Therefore, it is to be expected that various situations can arise from studying or practicing this healing art. On the one hand, certain problems, either physical or emotional, may be alleviated. Sometimes, deep mystical experiences occur, as well as life-change realizations. On the other hand, suppressed emotions or emotional patterns may receive enough healing energy to be pushed to surface, so they can be released or resolved, and this process may also create various physical symptoms. Also, release of physical tension in one area of the body may bring to the surface tension that has been stuck in other areas of the body, which can manifest as various body symptoms. In homeopathy, it is expected that old and even new symptoms will arise as part of the healing process. Although this doesn't usually happen with VortexHealing, occasionally it does. It is all part of the healing process.

The undersigned agrees that he or she has read and understands the above paragraph and agrees that neither VortexHealing, Inc nor the teachers of VortexHealing are responsible for any individual symptoms that may arise as a result of taking VortexHealing classes or practicing VortexHealing. The undersigned agrees to take personal responsibility for whatever physical or emotional symptoms may arise as part of the healing process of taking VortexHealing classes or practicing VortexHealing.
