What do scholarships cover?

The total cost of participating in a program includes tuition, housing, meals, access to campus amenities, and, if applicable, the children's' program. A partial scholarship covers tuition only or 25%, 50% or 75% of the total cost. A full <u>commuter</u> scholarship covers 100% of the cost of tuition, meals, access to campus amenities, and, if applicable, the children's' program, while a full <u>on campus</u> scholarship covers 100% of the same costs, plus camping or a tent cabin, if available. If you require a different type of housing, you will need to pay the difference between the scholarship housing and the price of your chosen housing type.

Is transportation covered?

The cost of transportation to/from Omega is NOT included the scholarship; please make sure you are able to cover the cost of your travel expenses.

How do you decide who receives a scholarship?

Assessments of applications take into account financial need (using the guidelines below) and responses to the personal essay question. Scholarships are primarily awarded to people who want to apply what they learn in their work, lives and communities; bring a diversity of perspectives, background, and experience; and would not be able to afford to attend without a scholarship.

Household Size	Household Income Level
1	\$29,175
2	\$39,325
3	\$49,475
4	\$59,625
5	\$69,775

Please note that fitting into these financial guidelines does not automatically qualify you for a scholarship.

How and when will I hear about the status of my application?

Once we receive your completed application you will be notified by email within 48 hours of receipt that we have received your application. Applicants who apply by August 21st will be notified by email by September 9th. Applications received after September 9th will be notified by email on a rolling basis. If you do not have an email address, we will notify you by phone or mail.

How do I make sure I am registered?

Submitting a scholarship application does not automatically register you for this program. When a scholarship has been awarded, we will register you and send you confirmation. If you are offered a scholarship, you will be asked to confirm your attendance within two weeks. If you are unable to confirm your attendance, we may offer your scholarship to another applicant. For recipients of partial scholarships, any remaining balance will become due and payable when you receive your confirmation and no later than two weeks before the start of the program.

If I am not awarded a scholarship, is there any chance I could get one later?

If you do not receive a scholarship, you will be put on a waiting list. If someone cancels their scholarship, we reconsider people on the waiting list.

What if I still have questions?

If your question is not addressed in our FAQ, please email <u>LauraW@eOmega.org</u> or call 845.266.4444, ext. 377. If you leave a voicemail, we may not be able to call you back immediately – thank you for your patience.
