MEDIATORS WITHOUT BORDERS®

40 Hour Mediation Certificate Training Activity Log Sheet

The following table represents the various activities in the online campus portion of the 40 certificate that you can choose to participate in. The hours must total 35 in order to receive the mediation certificate. The live training fulfills the remaining 15 hours required. If you have any questions about these logs and how to fill them out, please contact Mediators without Borders at info@mediatorswithoutborders.com. Please submit this log sheet to your trainer at the live Omega training in May. The role play participation hours, either observation or direct participation are achived by attending the Wednesday evening teleconference role plays at 6 pm mountain standard time or by listening to audio archives of past role plays that are stored in the online campus. The role play schedule and notices will be available to you in the online campus.

Please see the back of this sheet for sample hour calculations.
