Our faculty have included some of the world’s greatest thinkers, creative talent, spiritual teachers, and social visionaries. From science to the arts, from medicine to leadership, they are trailblazers in their fields, who help to catalyze Omega’s mission to awaken the best in the human spirit.

“It was at Omega that I launched my speaking and workshop career. I will remain ever grateful to them. Omega offers the most extensive and comprehensive tools for personal and collective transformation. There is no other place comparable to it if you want to evolve.” — Deepak Chopra

Deepak Chopra is a medical doctor who has authored more than 85 books on spirituality and mind-body medicine. He has taught more than 20 workshops at Omega since 1989.

“Omega has an impressive history of bringing forth ideas and practices like yoga, complementary medicine, and sustainability that once seemed to exist on the fringe and are now part of our everyday language.” — Robert F. Kennedy Jr.

Robert F. Kennedy Jr. is senior attorney and president of Waterkeeper Alliance. He was named one of Time magazine’s “Heroes for the Planet” for his earlier work with Hudson Riverkeeper. He has presented at numerous Omega programs over the years.

“Omega Institute is a gift to the world. It not only offers access to some of the world’s finest spiritual teachers and leaders; it also provides an environment of nurturing and nourishment.” — Iyanla Vanzant

Iyanla Vanzant is a lawyer, spiritual teacher, life coach, and author of six New York Times best sellers. Her television program, Iyanla: Fix My Life, is the number one reality show on the Oprah Winfrey Network (OWN). She has taught at Omega since 2000.
